

Parent Code of Ethics for On Campus Kids After-School Enrichment

As a parent or guardian of a child participating in the On Campus Kids After-School Enrichment program, I acknowledge and commit to the following code of ethics:

1. Supportive and Respectful Communication: I will maintain open and respectful communication with the program staff, actively engaging in conversations related to my child's well-being, progress, and any concerns that may arise. I will listen attentively and respond constructively when addressing any issues or suggestions.

2. Collaboration and Partnership: I will actively participate in a collaborative partnership with the program staff, recognizing that our shared goal is the success of my child. I will contribute to the planning, organization, and implementation of program activities whenever possible.

3. Prompt and Reliable Attendance: I will ensure that my child arrives as scheduled and that I promptly pick them up at the designated end time. If I am unable to pick up my child on time, I will communicate with the program staff and make alternate arrangements.

4. Compliance with Policies and Procedures: I will familiarize myself with and abide by the policies, procedures, rules, and guidelines established by On Campus Kids After-School Enrichment. I will support the staff in their efforts to create a safe, inclusive, and positive environment for all participants.

5. Respect for Staff and Other Participants: I will treat the program staff, volunteers, and other participants with respect, courtesy, and appreciation. I understand that modeling respectful behavior sets a positive example for my child and contributes to a harmonious and supportive community.

6. Positive and Constructive Involvement: I will actively engage in my child's participation in the program by showing interest, providing support, and encouraging their involvement. I will support their learning and growth by reinforcing the values and skills taught in the program at home.

7. Confidentiality and Privacy: I will respect the confidentiality and privacy of other participants, their families, and the staff. I understand that sharing personal information or discussing matters concerning others without their consent is inappropriate and can breach trust within the program community.

8. Constructive Conflict Resolution: In the event of conflicts or disagreements, I will seek resolution through respectful and constructive communication with the program staff. I understand that collaboration and open-mindedness are essential to finding mutually beneficial solutions.

9. Professional Boundaries: I will maintain appropriate boundaries with the program staff, recognizing and respecting their professional roles. I will refrain from engaging in actions, discussions, or behaviors that may compromise the staff's professionalism or integrity.

10. Commitment to Program Success: I am committed to the success of the On Campus Kids After-School Enrichment program. I will actively support program initiatives, contribute feedback, and support its continued growth and availability for future participants.

By adhering to this Parent Code of Ethics, I demonstrate my commitment to fostering a positive, respectful, and enriching experience for my child and the entire On Campus Kids After-School Enrichment community.
